The arranging of the schedule for the republican tour of the county next Monday has been completed. Under the arrangements the auto caravan will leave this city at 9:30 o'clock and go to Milroy. The schedule calls for a meeting in Milroy at ten o'clock and following this meeting the party will divide, one-half going to the east and the other half to the west. Both wings will meet at Carthage where a meeting will be held and following this the caravan will return to this city where the night meeting will be held.

An effort is being made to get all of the republican owners of automobiles in the county to take part in he tour and people of any other party will be welcome. The list of speakers for the day includes Harry S. New, candidate for United States senator; Judge D. W. Comstock, candidate for congress, Edgar Bush, candidate for lieutenant governor, W. R. Jinnett, candidate for representative and other candidates.

The speaker at the night meeting to be held at the Graham Annex Auditorium will be Representative William E. Humphrey of Washington. Representative Humphrey comes here highly recommended by the republican leaders of the state. He is from the first congressional district of Washington and has served in congress continuously since 1903. Mr. Humphrey is a Hoosier. He was born near Crawfordsville and lived there where he practiced law until 1886, when he moved to Washington.

As a legislator there are very few men in the house today who have served their constituents as long and as faithfully as has Representative Humphrey. He knows the needs of the people of his state and the whole nation. He knows what the nation needs at times when an industrial crash is imminent. He is known as a fearless lawmaker and one who always stands for the right.

The first of a series of three republican meetings in the county will be held tonight at Mays when the principal address will be delivered by Ed Toner, editor of the Anderson Herald and progressive state chairman at one time. He is a capable speaker and is expected to attract a large crowd. Judge Harvey of Indianapolis will also speak tonight at Mays.

Frank E. Jaynes of Wabash will be the speaker at a meeting at Carthage Wednesday night and on Thursday night, Judge Harvey and A. J. Ross will speak at New Salem.

ABANDONMENT IS ALLEGED

Only Charge of Nellie Morris in
Divorce Suit Against James Morris

Mrs. Nellie Morris has filed suit for divorce from James Morris. She alleges that he abandoned her in 1913 without cause and right and has since failed to make any provision for her support or maintenance. The complaint states that they were married December 23, 1902 and separated July 6, 1913, on which date he abandoned her. This is the only allegation in the complaint. Kiplinger and Smith represent the plaintiff.

PROPERTY RIGHTS WERE ADJUSTED

Mrs. Jennie Ryon Granted Divorce
After Compromise is Reached
Regarding Land

JAMES RYON PAYS HER \$5,000

The divorce suit of Mrs. Jennie Ryon against James M. Ryon was practically completed in circuit court today when a compromise was reached as to the property rights and the court entered a decree granting a divorce to Mrs. Ryon, giving her the custody of their child Lavone, with the provision that she can visit with her father. Under the terms of the compromise Mr. Ryon gave her the sum of \$5,000 and she in turn gave him the title to the land heretofore held jointly.

The trial was devoid of anything sensational. Mrs. Ryon alleged cruel and inhuman treatment and testified that he cursed and struck her. Mr. Ryon fought the divorce on a cross-complaint and testified that he never struck his wife but admitted cursing her. He stated that on one occasion she attempted to strike him with a stick of stove wood. Mr. Ryon stated that his wife had spells of crying and during these was always violent in her treatment towards him. He said that in his opinion she was of unsound mind during these "spells." The plaintiff was represented by Samuel L. Trabue and the defense by C. M. Duncan and Megee and Ross.

HAS OUTFIT TAKEN FROM GREENSBURG

Wesley Miller, in Southern Rush
County, Finds Horse Which
Had Been Driven Hard

PHAETON NOT FAR DISTANT

Wesley Miller, living on the Milroy—Andersonville pike, one mile west of Neff's corner, has a horse and phaeton in his possession that was stolen from Greensburg. The animal was found yesterday along the road. The buggy, a phaeton, was found almost in the center of the road and the horse was roaming about minus any harness.

The horse had all the appearances of being driven very hard. The animal was so tired that he would not eat and today was very stiff and sore. The theory was that the horse was stolen and driven that far where it was abandoned. The horse is an old one but is considered a good family horse and no doubt is highly valued by the owner. Sheriff Cavitt was notified and about noon today received word from Greensburg that the owner would come after the stolen property.

M. S. COX IS ONE OF TWO IN RACE

Rushville Man Has Good Prospects
to Win Contest at Great Council
of Red Men

BOOSTERS ON JOB FOR HIM

Rush County Turns Out Well for
Local Candidate Who Wants
to be Keeper of Wampum

BULLETIN.

Miles S. Cox of this city was elected to the office of great keeper of the wampum on the first ballot, according to word received here late this afternoon. Harry Lehman of Indianapolis was his closest competitor. Cox received a total of 878 votes; Lehman, 167 and the other two candidates a few scattered votes.

If Miles S. Cox of this city is not elected great keeper of wampum of the Great Council, Improved Order of Red Men, now in session in Indianapolis, it will not be due to any lethargy on the part of his Rush county friends who began the exodus to Indianapolis yesterday afternoon to do their bit in boosting for the local candidate.

That the efforts of Mr. Cox and friends have not been unavailing is disclosed by the fact that the Indianapolis Star says this morning that the race for the office has narrowed down to a fight between Mr. Cox and Captain Henry Lehman of Indianapolis.

The election was not scheduled to take place until two o'clock this afternoon and it was not expected that the result would be obtainable here in time for publication today.

The great keeper of wampum is a much sought after office. The term of serving is for five years and a comfortable salary is paid during that time. In addition, the office entitles the winner to the honors of a past great sachem.

The election this afternoon is the climax of a hard fight made by Mr. Cox. He went before the forty-eighth annual session of the Great Council this afternoon, seeking the office, with the Red Men of his home county solidly behind him and with hosts of supporters from all parts of the state.

A campaign was conducted throughout Rush county to interest the Red Men as well as other persons in Mr. Cox's candidacy. The campaign bore fruit, as the crowd of Rush county boosters at Indianapolis last night and today revealed. Several automobile loads went to Indianapolis yesterday afternoon and were at the Denison hotel last night whooping it up for the Rushville candidate. They all wore Cox badges and "button-holed" everyone.

There are 1,200 delegates in the Great Council so that there is little chance of the result of the contest for great keeper of wampum being known here before late this afternoon.

Charles Brown went to Indianapolis today where he was delegate from the R. and S. M. to the grand council and from the R. A. M. to the grand chapter of the Masonic order.

Earl Hall, of the Ziedman and Polle shows, who was injured Sunday morning in the accident that cost the life of Lewis Baum, was able to be taken to Greensburg.

The names of two prize winners in the drawing Saturday were omitted by mistake yesterday. Mrs. John Starks won the second prize at the 99 Cent store—a 10 inch cut glass vase—and Helen Sterrett won second at Casady's dry goods store—a Motorweave auto robe worth \$6.75.

LIKELY TO HOLD OTHER DRAWINGS

Business Men's Association, at
Meeting Tomorrow Night, Will
Discuss the Subject

ALL SEEM IN FAVOR OF IT

Final Settlement of Question of
Awards in School Float Con-
test to be Made Tonight

At the regular meeting of the business men's association in the city council chamber tomorrow night the subject of holding another drawing similar to the one conducted Centennial week will be considered.

It was stated today that without exception every merchant who participated in the prize awards Saturday was ready for another one. It has been suggested by some that half of the merchants hold a drawing the first half of a month and the other half the last half of the month. Others believe that it would be best for all the merchants to participate at one time, thus offering a greater number of prizes, but at longer intervals.

All of these things will be threshed out at the meeting Wednesday night. It is practically certain that the drawing will be continued for the present at least, but what methods will be employed is yet to be determined.

The executive committee of the Centennial, Home Coming and Fall Festival had not yet definitely decided today how the prizes would be awarded in the school float contest in the Centennial parade. The judges—Arch Davis and Tom Beale of Newcastle and H. B. Smith of Brookville—selected the float put out by the Rushville schools, but the conditions of the contest were that the Rushville school were not to participate as a whole but each building as a unit. Many members of the executive committee contended that the Rushville schools were not disqualified because the schools did not abide by the rules of the contest.

The executive committee will endeavor to straighten out the affair at a meeting this evening. Some members of the committee agreed on an amicable agreement yesterday, but other members of the committee had a different solution, with the result that the question was not settled.

It is understood that Ziedman and Polle, in whose employ Lewis Baum was, paid Baum's funeral expenses. Baum was instantly killed while loading the merry-go-round engine early Sunday morning and his wife and two children, who were here, were left destitute. The manager of the shows here last week told members of the local committee that he intended to give Mrs. Baum \$50 to pay her expenses to Pittsburgh, where her mother lives. It was also stated that employees and owners of the show expected to take up a collection for the widow and children.

TITLE GIVEN TO HUSBAND.

The will of the late Mrs. Celista J. Harrison of Anderson township has been offered in probate. John E. Harrison, the husband is given the title to the land which was held jointly by them and he is also given the interest in 120 acres of land owned by her during the minority of their youngest child. Then this 120 acres of land is given to her children and grandchildren subject to the rights of her husband. The children, George, Ben, Elmer, Claude and Mary are to each get one-sixth the granddaughter Mary Harrison, one-sixth; the grandson, Russell Kenneth one-twelfth and the grandson, Robert Kenneth, one-twelfth.

THIRTEEN BUILDINGS BURN

Business Section of Emmett, Mich.,
is Guttled by Fire

(By United Press.)

Port Huron, Mich., Oct. 17.—Fire today gutted the business section of the village of Emmett near here causing heavy loss. Thirteen buildings and their contents were destroyed. Only six business places remain standing.

The Emmett postoffice was saved but all buildings adjoining it were wiped out. The Emmett state bank building was burned to the ground, but it is believed that several thousand dollars in the currency and valuable papers in the vault escaped destruction.

IN LOS ANGELES AS SCENARIO WRITER

Tom J. Geraghty of New York, Formerly of This City, Engaged
by Jesse Lasky, a Producer

RECENTLY WITH THE METRO

Tom J. Geraghty, formerly with the Daily Republican, is now at Hollywood, Cal., a suburb of Los Angeles, engaged as a scenario writer for the Lasky motion picture corporation.

The first information that Mr. Geraghty had been engaged as a scenario writer was received when Mr. Geraghty telephoned his brother-in-law, Denny Ryan, a few evenings ago, from Chicago, while on his way from New York City to Los Angeles.

Mr. Ryan did not understand definitely what Mr. Geraghty expected to do at Los Angeles, but expected a letter of explanation, which has not yet arrived.

However, the fact that the former Rushville man is now working as a scenario writer is confirmed by the Motion Picture News studio directory, which gives a brief description of those engaged in the motion picture business.

Mr. Geraghty went to the New York Herald from here and later was with the New York Tribune. He began his motion picture career as publicity agent for the Metro corporation. He recently left Metro to accept the offer of Jesse Lasky, one of the largest producers in the business.

GENERATOR AT SCHOOL EXPLODES

Alfred Norris Receives Severe Burns
in Chemical Laboratory at
Graham Building.

CAUSE OF THE EXPLOSION

An explosion of a generator from which carbon monoxide was being made, resulted in severe burns to Alfred Norris this morning in the chemical laboratory of the Graham high school. Several other students were burned slightly. Young Norris sustained severe burns about the face and chest from the hot acid.

The class had been experimenting with the gas and while away from the glass flask in which the monoxide was being generated, cold water ran back into the flask and before anyone could disconnect the piping and turn out the gas, the explosion resulted. Glass was scattered all over the room.

A meeting of the official board of St. Paul's M. E. church will be held in the church parlors tonight at 7:30 o'clock.

EASTERN DRIVE NOW UNDER WAY

Von Hindenberg's Offensive on Eastern Front is Apparently
Started Today

ATTACK ON 60-MILE FRONT

Roumanians Admit Some Teutonic
Gains in Some Regions and
Repulses in Others.

(By United Press.)

London, Oct. 17.—Von Hindenberg's widely heralded eastern offensive apparently is under way.

Teutonic forces are attacking furiously on a 60-mile front along the northwestern Roumanian frontier, at the same time they have opened heavy assaults on the Russian lines north of the Carpathians.

An official statement from the Roumanian war office this afternoon admits some Austro-German successes in this new offensive. The Teutons have pushed down the Trotus valley to the town of Agas, where they are engaged in battle with the Roumanians. Berlin dispatches yesterday reported that the Germans had broken through Gyness pass, leading into the Trotus valley and were driving eastward towards the main railway supplying the northern Roumanian armies.

The Roumanian war office, however, announced the repulse of all Teutonic attacks near Dudrna Vatra. It is in this region that Von Hindenberg is delivering his hardest blows, apparently planning to drive a wedge between the Russian and Roumanian armies.

The Austro-German attack north of the Carpathians apparently is to prevent the shifting of Russian troops southward to meet the new attacks.

TRAGEDY IS NEAR AN END

German Viewpoint is That Somme
Offense Has About Run Course

(By United Press.)

Berlin, Oct. 17.—"The tragedy on the Somme seems near a climax," said a semi-official statement reporting frightful French and English losses in recent unsuccessful attempts to break the German lines north of the river.

When the British rushed forward for an attack, the sixth German infantry divisions left their destroyed positions and standing in the face of the approaching enemy, turned loose rifle and machine gun fire into the allies.

CRISIS NEAR AT ATHENS

French Soldiers Fortify Municipal
Theater for Battle

(By United Press.)

London, Oct. 17.—Intimations that a serious crisis is approaching at Athens were contained in dispatches from the Greek capitol today.

French sailors have occupied the municipal theater and have planted field guns and machine guns in readiness for instant action, said a dispatch to the Evening News.

An earlier dispatch from Athens reported the landing of marines at Piraeus to reinforce the Athens police and prevent "threatened trouble." Allied troops have taken possession of three battleships.

An exchange will be given by the Ladies Aid society of the First Baptist church Saturday morning beginning at 9 o'clock in the room formerly occupied by the Mulno clothing store in West Second street.

ADMIT LOCATION OF VILLA FORCES

Mexican Government Officials Announce Bandits Are Near General Pershing's Column.

MORE THAN 1,800 VILLISTAS

(By United Press.)

El Paso, Texas, Oct. 17.—For the first time since beginning their campaign against Villa, Mexican government officials admitted the location and importance of the size of the bandit chief's forces when it was announced today that Villa with 800 well armed men and more than a thousand recruits partly armed are about 150 miles southwest of El Valle, the southernmost outpost of General Pershing's American expedition.

A detachment of Villistas is being sent into the foothills, to recover machine guns, ammunition and military supplies hidden by the bandits.

"A SHINE IN EVERY DROP"

Black Silk Stove Polish is different. It does not dry out; can be used to the last drop; liquid and paste one quality; absolutely no waste; no dust or dirt. You get your money's worth.

Black Silk Stove Polish

is not only most economical, but it gives a brilliant, silky lustre that cannot be obtained with any other polish. Black Silk Stove Polish does not rub off—it lasts four times as long as ordinary polish—so it saves you time, work and money.

Don't forget—when you want stove polish, be sure to ask for Black Silk. If it isn't the best stove polish you ever used—your dealer will refund your money.

Black Silk Stove Polish Works, Sterling, Illinois.

Use Black Silk Air Drying Iron Polish on grates, registers, stove-pipes, and automobile tire rims. Prevents rusting. Try it.

Use Black Silk Metal Polish for silverware, nickel, tinware or brass. It works quickly, easily and leaves a brilliant surface. It has no equal for use on automobiles.

SITUATION IS STILL TENSE

Bayonne, N. J., Oil Strikers Are Snubbed by the Company

(By United Press.)

Bayonne, N. J., Oct. 17.—Despite a record of three persons dead, many wounded and pitched battles between strikers and police marking its progress thus far, the strike of the oil workers here will go on so far as the Standard Oil company is concerned. Superintendent Hennessey today snubbed the strikers' committee of ten which asked him to end the strike by giving them more money, the men declared.

There was neither bloodshed nor serious rioting up to noon today. There was neither bloodshed nor but the situation is as tense and feeling as strong as ever.

JUST LIKE A WOMAN

Butler, Ind., Oct. 17.—Mrs. James A. Lovett says she will never open mail addressed to her husband again. She opened a registered letter addressed to James A. Lovett and found it from another woman who claimed the name of Mrs. Lovett. She immediately filed charges of bigamy, but dropped the action almost as hurriedly when she found that the letter should have gone to another James A. Lovett.

The Gem will show the three reel railway drama "The Human Pendulum" for the program tonight. Marie Walcamp is featured. It is said to be a thrilling drama showing many sensational scenes. Tomorrow Cleo Madison will be seen in the drama, "The Crimson Yoke."

The Mystic offers the third chapter of the famous detective serial picture "Fantomas" for the program tonight. In this episode Dillon, the painted is blamed for the murder of Baroness de Vibray. "Fantomas," as usual evades the clutches of the law and remains as great a mystery as ever.

For "The Children in the House," the Triangle feature at the Princess tonight a thrill of thrills is claimed. This is the spectacle of an auto-load of bank robbers plunging after a flying battle with police, over a steep precipice 300 feet high. Its occupants shot down one by one, by the pursuing officers of the law, the car is seen to zigzag as it speeds along the mountain road. The sight of the big car shooting over the edge and down to destruction is announced as one warranted to give any spectator at least one good gasp. Norma Talmadge is featured and is supported by Jewel Carmen and Eugene Pallette.

Mayo Foundation Physician Admits Today he Has Found It

(By United Press.)

Rochester, Minn., Oct. 17.—Dr. Edward Rosenow, of the Mayo foundation here, admitted today he had found a germ which he believes is the cause of infantile paralysis. Beyond saying it was found in the tonsils of children suffering from the malady, he refused to explain further.

Most of the research was done in New York last summer. Dr. Rosenow is preparing a report of his findings for a medical journal to be issued next month.

Inherent Dread of Cats For Dogs.
The instinctive fear which cats have of dogs is illustrated very amusingly by stroking a dog and then caressing a blind and newborn kitten with the same hand that has touched the dog. At once the kitten will spit and fluff itself up in the most absurd way, distinguishing the smell of the beast which experience for thousands of generations has taught it most to dread.—London Standard.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

Town Factions.

Perhaps, no other one factor wields so great an influence in retarding the growth and prosperity of a town as factionalism. It spreads itself as a pall over the community life, and under its malign influence all progress wilts like a pear tree under the blight. No amount of energy and public spirit-ness is sufficient to survive its depressing effects.

Take the average town torn by factionalism. A measure of public improvement is proposed. It comes from one of the two factions. It really has merit and would be beneficial to the town. Does it meet with approval? Yes—from that side of the house. From the other side, bitter opposition. Why? No mortal man can tell, except that it emanated from "the other side."

There you have the meat in the cocoanut. "The other side" stands for everything that is undesirable and vicious.

But from whatever source, the fact remains—and the factionalism flourishes—a sad commentary on the boasted "progressiveness" of our countrymen.

And the pity of it is that it is all

useless and fruitful of no good results to either side.

United effort would invariably accomplish for both what divided wrangling accomplishes for neither.

There is a world of truth in the old emblem of the bundle of sticks, bound together, which no man could break, but which, taken separately, a child could destroy.

No factional fight in a community even yet resulted in complete victory for either side.

Many communities have had the sagacity to recognize this fact and, while there have always been and will always be differences, have had the good sense to endeavor to harmonize and work together for the common interest.

When we see a community torn by factions, we feel like reminding it of the old fable of the cats and the monkey—the cats found the cheese, but the monkey ate it at last.

Waning Popularity.

Despite the effort of the Democratic candidate for Governor, John A. M. Adair, to mislead the voters of Indiana, some light is thrown upon Adair's waning popularity in his home county by the election returns since 1910. An examination of these returns shows very clearly why Adair is running for Governor instead of for re-election to Congress from the Eighth Congressional District. Adair has been losing votes by the wholesale during the past three elections and the Republicans confidently expect to carry Jay county this year by a splendid plurality.

In 1910 Adair's plurality in Jay county was 1504, and in 1912 this plurality was cut to 334. In 1914, Adair received a plurality of only 25 votes in his home county. These figures, more than anything else, show what the people of Jay county think of the Democratic candidate for Governor at this time. Not only will Adair lose Jay county to James P. Goodrich, the Republican candidate, but he will also lose his own district, it is freely predicted.

Why should any one kick at life in Rushville? It is full of good people—of wise people—of energetic people—of persistent people—of people who would be a credit to any town. When you kick this town you kick yourself, for you are helping to make it just what it is.

We did a little blinking the other day, when the German U-boats kicked up the spray on the Atlantic coast. But life is too short for blinking, and here's for another snooze.

When laughter at the other fellow just remember that he may have quite as much fun at your expense another day.

Life is just one ahem after another, but we have yet to find one who is in a hurry to let loose.

The merchant who advertises never counts the flies on the wall. "There's a reason."

Life is short at best and the one who fills it with scraps and growls has only half a life to spend.

Politics is just politicking along.

A big new discovery in cigarette blending

The big thing about Chesterfields is their unique blend. The *Chesterfield blend* is an entirely new combination of tobaccos. This blend is the most important new development in cigarette making in 20 years.

As a result, Chesterfields produce a totally new kind of cigarette enjoyment—they *satisfy*! Just like a "bite" before bedtime *satisfies* when you're hungry.

But with all that, Chesterfields are *MILD*, too!

This new enjoyment (*satisfy*, yet *mild*) comes ONLY in Chesterfields because no cigarette maker can copy the *Chesterfield blend*.

MAKES PLANS FOR SMALL SETTLER

Irrigation Congress Works Out
Problem of Caring For Men
Not Financially Able.

RURAL CREDITS DISCUSSED

(By United Press.)

El Paso, Tex., Oct. 17.—The question of financing settlers on irrigated lands under reclamation projects, whether public or private, was one of the most important topics discussed by the "Rural Credits and Land Settlement" section of the International Irrigation congress at today's session. Elmer Mead, head of the department of rural institutions in the University of California and an eminent authority on the subject of rural credits is in charge of this section of the congress. Prof. Mead and other authorities on the subject of credits, present at the session, formulated plans whereby the settler with small capital will be enabled to become a successful farmer of irrigated lands.

HOMER WINS FROM THE MANILLA FIVE

High School Basketball Team is Victorious in Game Monday by
Score of 18 to 13

SECOND GAME WEDNESDAY

The Homer high school basketball team won the first of a series of two games from the Manilla high school five on the former's floor yesterday afternoon at the close of school, by a score of 18 to 13. The second game of the series will be played at Manilla Wednesday night as a feature of the horse show which will be held there.

Homer early displayed its superiority over the Manilla lads by running the score up to 14 points in the first half while allowing their opponents only two. The summary: Homer (18) Manilla (13)
Casady Forwards Garner
English Carr Center Wicker
Veatch Guards Enos
Gulley Shepherd.
Homer—field goals, Carr 3, Casady 3, Veatch 2 and English 1; Manilla—field goals, Wicker 4, Enos 1 and Garner 1; foul goals, Enos 1. Marlatt, referee; Sheedy, umpire.

A match game between bowling teams representing the Knights of Pythias and Knights of Columbus lodges will be played at Jack's Smokehouse Wednesday night. There will be a fraternal bowling league this winter and the match game is preparatory to the opening of the season.

Worth Knowing.

Women are liable to ailments which cause constant ill-health and on which they may consult doctors without much relief. It is well worth knowing that they can get at the nearest drug-store a simple medicine, made of roots and herbs, which is just what they need to recover health. That medicine is Lydia E. Turney of Springfield, Ohio, and Mrs. Horace Manger, of Indianapolis—Connerville News.

WEDDING ANNOUNCEMENT

The announcement of the wedding of Miss Nancy Conwell of Connerville and James Thomson of Indianapolis has recently become known. The wedding took place in Louisville, Ky., October 2nd., after which the young couple enjoyed a honeymoon in Chicago and Indianapolis. Their permanent home will be in Indianapolis at 3007 North Delaware. Both the bride and bridegroom are well known in this city and have visited here frequently.

FOR VISITING NURSE

Results from their undertakings during the centennial show that the Psi Iota Xi sorority cleared \$93, as a result from their lunch-stand and work in co-operation with the centennial committee in taking tickets at the concessions. This amount, together with enough to make it a hundred dollars, will be handed over to the Women's council for the visiting nurse fund. Earlier in the year, the sorority gave \$50 to the same fund.

FAREWELL PARTY

Tributes, just ones, were paid to James Lock and his two children, Mildred and Robert, at the dinner given in their honor last evening at the St. Paul's M. E. church by the teachers and officers of the Sunday School. It was in the form of a farewell dinner before they leave for Alabama to spend the winter. For several years, Mr. Lock has been superintendent of the Sunday school and that his work has been appreciated, was proven last evening. Ernest F. Marlatt was elected to succeed him as superintendent.

The guests last evening were seated at a long table, prettily decorated with two large bouquets of flowers. A delicious two course supper was served and followed by several appropriate talks. The Rev. W. M. Whitsitt presided after the supper. Talks were made by James Lock, the outgoing superintendent, Ernest Marlatt, the in-coming superintendent, Ernest B. Thomas, Will M. Sparks, Leonard Clark, Miss Belle Gregg and the Rev. W. M. Whitsitt. Guests including the officers, and teachers of the school were Mrs. F. G. Hackleman, Mrs. F. E. Wolcott, Mrs. John Jordan, Mrs. Minnie Abererombie, Mrs. Rash Budd, Ernest and Earl Marlatt, R. F. Scudder, Miss Helen Scudder, Will M. Sparks, Leonard Clark, Ernest B. Thomas, the Rev. and Mrs. Whitsitt, James Lock and children, Mildred and Robert, Miss Louise Poe, Miss Margaret Ball, Miss Frances Frazee, Miss Kathryn Wooden, Miss Jessie Gillispie, Miss Charlotte Smith, Oscar Eden, George Wiltse, Chauncey Duncan, J. H. Scholl, Miss Ellen Vickery, Mrs. Charles Todd and Miss Mary Bookwalter of Indianapolis, Miss Sadie Williams, Howard Stech, and Miss Belle Gregg. The members of the board who were unable to attend were Earl Payne, F. R. McClanahan, Sam Morgan, Miss Norma Smith and Miss Laura Caldwell.

TROUBLES OF 25 YEARS VANISH

Fort Wayne Woman Says Tanlac Brought Her Relief in Three Days

Fort Wayne, Ind., Oct. 16.—"Tanlac has helped me where everything else has failed. My trouble dates back twenty-five years and during all that time I could get nothing that would help me, but this new medicine has done the work thoroughly in just three days. I feel like a new woman."

This was the tribute paid Tanlac, the Master Medicine, recently, by Mrs. Martha A. De Haven, 68 years old, a well known resident of this city, who lives at 448 Elizabeth street.

"I had neuralgia of the head, face and shoulders and I also was very nervous," Mrs. De Haven continued. "I haven't had a single neuralgia pain since the third day after I started taking Tanlac. My appetite formerly very poor, is fine now, and I sleep soundly at night. I used to be unable to sleep because of neuralgia pains. No nervousness or weakness of any kind bothers me now."

Tanlac is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, sleeplessness and the like. Tanlac is now sold exclusively in Rushville at F. E. Wolcott's drug store; in Arlington at Mrs. L. T. Davis'; in Carthage at J. H. McCarthy and son and in Milroy at Barton & Sheppard's.—(Adv.)

Mrs. Julia Glidden and daughter, Mary, and Mr. and Mrs. A. F. Glidden of Lewisville spent the day with Mr. and Mrs. W. T. Jackson of this city.

About seventy-five ladies interested in suffrage were the guests of the Franchise League at the home of Miss Mary and Miss Nora Sleeth in West First street this afternoon. The entire afternoon was given over to discussion of suffrage, with Mrs. Barnhill of Indianapolis as the speaker.

The Loyal Women's Bible class of the Christian church will be entertained tomorrow evening by Mrs. Walter Conway at her home at 601 North Morgan street. The meeting will be called at 7:30 o'clock and every member is urged to be present as important business is to be brought up for discussion.

PLANS FOR SUPPER

Plans for the penny supper and parcel post sale to be held in the Christian church basement October 25th were the business matters that occupied the greater part of the meeting of the Loyal Daughters held with Mrs. Plessinger at her home last evening. Thirty-five members of the class were present. During the meeting, the members were busy with their fancy work for the packages which will be on sale.

A social hour followed during which refreshments of pumpkin pie coffee, and nabiscoos were served. The hostess was assisted in entertaining by Miss Mable Mahin and Mrs. Clifford Jarrett.

TRI KAPPA

Although all the reports are not in, it was announced last evening at the meeting of Tri Kappa held with Mrs. Walter Capp at the home of Mr. and Mrs. Frank Capp, that at least \$35 had been raised and perhaps more on the picture that was given, away during the centennial, and was painted by Mrs. Walter Hubbard. This amount will go toward the fifty dollars that the sorority had pledged toward the support of the visiting nurse.

Plans were also made for the pitch-in supper which is to be held at the home of Mrs. Will Norris in North Main street on Thursday evening. It is to be in honor of Miss Rosemary Hassmer of Lawrenceburg, a prominent member of the Tri Kappa sorority and province inspector. While here she will hold the biennial examination. About 15 members of the sorority were present, taking an active part in the business meeting and enjoying the social hour following when delicious refreshments were served. The next meeting will be in two weeks.

Miss Pauline Gessler will entertain the members of the B. N. Club at her home in West Second street this evening.

Miss Nelle Winship will entertain the members of the Embroidery Club at her home in East Fifth street on Friday afternoon of this week.

The members of the S. E. T. Club will be entertained by Mrs. Revilo Ferguson at her home in North Harrison street on Thursday afternoon of this week.

The Social Circle of the Methodist church at Orange will be entertained on Thursday afternoon by Mrs. Oscar Medd at her country home near Orange.

The Ladies Aid society of the St. Mary's Catholic church will be entertained on Thursday afternoon by Mrs. Anthony Schrichte at her home at 319 West First street, when she will be assisted in entertaining by Mrs. Robert Williamson.

FOR MR. AND MRS. HAZELRIGG

Yesterday an all day affair was enjoyed at the home of Mr. and Mrs. J. T. Arbuckle in East Seventh street in honor of Mr. and Mrs. Guy Hazelrigg of San Diego, Cal. It was in the form of a pitch-in and delicious meals were served at noon and in the evening. Mr. and Mrs. Link Guffin and daughters, Margaret and Kathryn, were other guests.

FIFTEENTH ANNIVERSARY

Mr. and Mrs. John McCoy celebrated their fifteenth wedding anniversary at their country home near New Salem last evening by entertaining a number of their friends at dinner. Cosmos were chosen as the tasteful floral decoration for the dinner. A number of pretty anniversary gifts were received. Covers at the dinner were laid for Mr. and Mrs. Carl Wilson and family, Mr. and Mrs. Charles Carney and family, Mr. and Mrs. George Alexander, Mr. and Mrs. Orville Zimmer and Mr. and Mrs. O. P. Wamsley and daughter, Kathryn, of this city.

MUSICALE

An excellent attendance marked the first regular meeting of the Ladies Musicale held in the court house assembly room yesterday afternoon. The new officers had charge with Mrs. A. L. Aldridge presiding. Under the leadership of Miss Olive Buell and Mrs. Will Amos, an excellent program on classic music was given with the following numbers:

Quartette "Overture from Semiramis" by Rossini, played by Miss Olive Buell, Mrs. Aldridge, Miss Alice Norris and Miss Jennie Madden; double trio, "My Mother Bids Me Bind My Hair" by Haydn, sung by Mrs. Cliff Winship, Mrs. Joe Clark, Miss Alice Norris, Miss Edith Buell, Mrs. Wooden, Mrs. VanOsdol; duet "Gypsy Rondo" by Haydn, by Mrs. Bebout and Mrs. Aldridge; vocal solo "Largo" by Handel, by Miss Leona Thomas; vocal duet, "Sweet Zephyrs" by Mozart, by Miss Edith Buell and Mrs. Will Amos; violin solo, "Minnette" by Beethoven, by Miss Leona Thomas; vocal solo, "Cradle Song" by Bach, by Miss Edith Buell; vocal solo, "Faithful Johnnie" by Beethoven, by Mrs. Carl Beher with violin obligato, by Miss Thomas; piano solo, "Gavotte" with variations by Rameau, by Miss Edith Buell; vocal solo, "Ade-laide" by Beethoven, by Mrs. Will Amos; Vocal quartette, "Hymn To Light" by Beethoven, by Miss Edith Buell, Mrs. Wooden, Mrs. Joe Clark and Mrs. VanOsdol.

Miss Jennie Madden was elected secretary of the Musicale inasmuch as Miss Wanda Wyatt, the former secretary, handed in her resignation on account of illness.

TURN HAIR DARK WITH SAGE TEA

If Mixed with Sulphur It Darkens so Naturally Nobody can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

ARE TAKING TO NATIONAL GAME

Baseball is Becoming Popular Among Australians, Several Teams Being Organized.

RATHER CRUDE THUS FAR

Visit of White Sox and Giants Apparently Has Had its Effect—Has One League

BY HAMILTON.
(U. P. Staff Correspondent.)

New York, Oct. 17.—Baseball as she is spoke across the Pacific, while crude, conveys to America the fact that the national game of the United States rapidly is growing in popularity among the Australians.

A copy of the Sydney Argus, received in New York today, has half a column of its space devoted to baseball games, the details of several contests being included.

If one is to take the word of the Argus' writer for it, professional baseball in America and the amateur brand in Australia are widely separated.

"The Collingswood - Hawthorne game was a splendid fight or five innings," the Argus reporter writes, and continues: "But Hawthorne's sixth brought 5 runs and they won by 10 runs to 5. Martin, the Hawthornes' pitcher, struck out 14 batters and did some good hitting."

Speaking of another game, he says: "Richmond turned the tables on South Melbourne, and won by 23 runs to 6. Anderson, the southern pitcher, in sliding to third base, struck his head against the base, and the shaking affected his pitching. Brereton, who had played a magnificent game at shortstop, took up the attack, but could not hold the Richmond batsmen, who accounted for twenty-three base hits, to which Eastman contributed four."

They have a league in Australia, for the Argus writer speaks of it in recounting a game between the Northcoates and the Y. M. C. A. He compares this contest with a cricket match. Forty-three hits were made by one of the teams, forty-three runs made, and thirty-six bases stolen. The opposing team failed to get a runner past second base, something of a tribute to the advance of the game.

"Williamstown hit up six runs in their first inning," the Argus expert remarks of another contest. "The M. C. C. pitcher held the seariders comparatively quiet thereafter, as he struck out seven batsmen."

The visit of the White Sox and Giants to the far-off continent has had its effect. Baseball is being given more attention in Australia than in any foreign country, and recently a letter was written to Garry Herrman, president of the National baseball commission in the United States, asking interpretation of the rules. Reports from the Antipodes say efforts are being made to organize a league of professional clubs.

HOOSIER BRIEFS.

Terre Haute—John Miller lost his thumb as the result of a man biting it. Blood poison developed and amputation was necessary.

Brazil—A cake weighing 80 pounds was baked by Mrs. J. E. Balridge, of this city, for a birthday party.

Hartford City—Troubles of Gladys Frutell, two years old, came to a climax when she fell into a dry cistern nine feet deep and was brought up uninjured. During the last few days she has been bitten by a snake, has eaten rat poison and fallen from an apple tree.

Evansville—Each chair in a new Evansville barber shop is provided with a telephone and a business deal can be closed by a customer while the barber is shaving.

Hartford City—Efforts are being made by the Manager of the Hartford City baseball team to have Everett Scott, shortstop for the Boston Red Sox play here in a game before the season closes.

LOTTERIES ARE RUN IN THE OPEN

In Fact Government of Argentina Share is in Profits and Makes Regulations.

ARE ALL THE RAGE THERE

Other Forms of Gambling Appear With This Craze—One Newspaper Fights it.

BY H. B. ROBINSON.
(U. P. Staff Correspondent.)
Rio De Janeiro, Sept. 15.—(By Mail)—With two hundred and fifty thousand imaginary dollars one may build a fairly good air-castle; and the Brazilian is a great air-castle architect. His material, always at hand, is the lottery ticket. The lottery in Brazil is as much an institution as the daily newspaper or the milkman, just as it once was more or less so in the United States.

A Spanish immigrant woman bought a lottery ticket as she walked down the gang plank of the steamer that brought her to the new world. When she arrived in the city she found that she had won the big prize of the day's drawing. She returned to Spain on the same ship, richer than her wildest dreams.

Pedro Silveira, a working man, dreamed that he was to win the Christmas lottery prize. His dreams told him the winning number. He sold all his possessions to obtain the number. His extraordinary faith was communicated to his neighbors and friends. The day of the drawing he was accompanied to the "chapel of chance" by thousands of friends and curious who had heard his story. As the six little girls spun the fateful wheels the number that turned up was not that held by Pedro. Pedro died in an asylum.

Extravagant hope and tragedy is the story of the lottery in Brazil. The rich Brazilian buys his lottery ticket as he takes his morning coffee—by habit. The poor Brazilian saves the scraps and often goes in debt for his "chance." One wins every day. Hundreds of thousands never win.

Although several states have their own lotteries the big game in the Federal lottery, operated by an anonymous corporation on a government concession. The government supervises the drawings and sale of tickets and takes five per cent of the receipts. There is a drawing every week day with special prizes for holidays, ranging from 15,000 to 250,000 dollars, American money. The prices of the tickets are fixed in accordance with the day's prize—from twenty-five cents to ten dollars.

In the trail of the lottery follow other gambling devices, chief of which is the "bicho" (beasts) which is similar to the "politey" played in the United States. The terminal numbers of the winning number of the day's lottery determines which "bicho comes out." If the player has laid his money on this terminal number he wins. The bicho is even more insidious than the lottery and there are few Brazilians, men or women, among the working classes who do not play the bicho. Bicho players have a distinct jargon in which they exchange their "palpites" (hunches) and speculate on their "sorte" (luck). Although the police have made desperate attempts to break up bicho playing the game flourishes. There are thousands of bicho houses in this city alone.

A local newspaper recently conducted a strong campaign against the bicho and after weeks of vain endeavor to break it up the paper announced that they would give a handsome prize to find a single case of where a man or woman had played the bicho and won consistently. The paper promised to investigate each purported winner thoroughly and publish the results.

The first story published was about a young man of prominent standing in a big business firm. The investigation sent him to jail as a defaulter. The second article told of a wife who explained her supply of cash to her husband by the bicho. The investigation resulted in a divorce. There was not a single

CARTOONIST IS MARRIED TODAY

Reuben Goldberg, Originator of "I'm the Guy" and Others Marries Irma Seeman.

HE HAS INCOME OF \$100,000

(By United Press.)
New York, Oct. 17.—When Reuben L. Goldberg, the New York Evening Mail cartoonist whose income is said to be \$100,000 a year, turned out his mystery cartoon "It's All Wrong, Irma, It's All Wrong," his friends wondered who Irma might be. Goldberg was married here today to Miss Irma Seeman, daughter of Sigel W. Seeman, a wholesale grocer.

Goldberg saw Miss Seeman for the first time at a restaurant with her parents about a year ago. It was several months later that he met her. Goldberg is a quiet young man, who does not use the expressions: "I'm the guy," "I never thought of that," "It's All Wrong," "Father was right," except in his cartoons. Goldberg is a native of San Francisco. He came to New York in 1907.

winner unearthed in more than a month's search.

Business houses often sell their wares by the aid of the lottery. Pianos, watches, motorcycles, clothing, even houses, are sold on the "club plan" by which the buyer pays in installments, receiving a number with the first installment. If his number comes out in the lottery before he has completed his installments he wins his purchase without further payment. It is needless to add that the prices are made to cover losses by this system.

The sale of lottery tickets gives employment to several thousand men. There are lottery ticket houses in every block, often operated in conjunction with the bicho game, and agents make a house to house canvass, crying their numbers in the streets and seeking patrons on the street cars. The lottery ticket vender is a picturesque figure as he strolls up the street crying his number and the "bicho" of its terminal. He shouts "Twenty cantos (five thousand dollars), twenty cantos today. My number is the lion. The lion will bring you fortune today."

Perhaps as a natural result of the moral support given the lottery by the government all other gambling is "wide open." The "lid" is applied half heartedly at infrequent intervals. The races and pool rooms attract their quota of players, and a dozen or more "clubs" in Rio, roulette, bacarat, campista, monte, poker and all the games that delighted Americans of the old west are in full swing with the sky limit.

Unavoidable Accident

During the rush and excitement of the past week's events almost everyone would naturally allow more or less dirt to accumulate in the kitchen, on the pans, etc. Not only last week, but every day these things occur. We have found the quickest, easiest and cheapest way to overcome these troubles and are going to help the people of Rush county by placing on sale for all this week the wonderful dirt chaser equivalent to Old Dutch Cleanser, but with a different label called "KEEN KLEENER." We guarantee Keen Kleener to do any work as quickly and as satisfactorily as Dutch Cleanser. If it fails to do so we will give your money back.

In order to back up this statement we want a can of Keen Kleener in every kitchen in Rush county and in order to do this we are going to place 1000 cans of this wonderful product on sale for this week at 5c per can.

Remember we guarantee every can to do the work with perfect satisfaction or we will refund your money.

The same size cans as Dutch Cleanser.

Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Figures Show Spiritualists Gain 50,000 During Year—Convention Opened.

SECRETARY GIVES REPORT

(By United Press.)
St. Paul, Minn., Oct. 17.—With a membership that has jumped during the year from 400,000 to 450,000, the National Spiritualists Association of America, convened here today in its twenty-fourth annual convention.

The increase was estimated by Secretary George W. Kates today. "We are growing by leaps and bounds," said he. "These figures include only the chartered members of the National Association and do not by any means include the hosts of believers in Spiritualism throughout the country. There are more than 1000 meetings a week in the United States throughout the year, including meetings of independent bodies."

The arranging of the schedule for the republican tour of the county next Monday has been completed. Under the arrangements the auto caravan will leave this city at 9:30 o'clock and go to Milroy. The schedule calls for a meeting in Milroy at ten o'clock and following this meeting the party will divide, one-half going to the east and the other half to the west. Both wings will meet at Carthage where a meeting will be held and following this the caravan will return to this city where the night meeting will be held.

An effort is being made to get all of the republican owners of automobiles in the county to take part in the tour and people of any other party will be welcome. The list of speakers for the day includes Harry S. New, candidate for United States senator; Judge D. W. Comstock, candidate for congress, Edgar Bush, candidate for lieutenant governor, W. R. Jinnett, candidate for representative and other candidates.

The speaker at the night meeting to be held at the Graham Annex Auditorium will be Representative William E. Humphrey of Washington.

Representative Humphrey comes here highly recommended by the republican leaders of the state. He is from the first congressional district of Washington and has served in congress continuously since 1903. Mr. Humphrey is a Hoosier. He was born near Crawfordsville and lived there where he practiced law until 1886, when he moved to Washington.

As a legislator there are very few men in the house today who have served their constituents as long and as faithfully as has Representative Humphrey. He knows the needs of the people of his state and the whole nation. He knows what the nation needs at times when an industrial crash is imminent. He is known as a fearless lawmaker and one who always stands for the right.

The first of a series of three republican meetings in the county will be held tonight at Mays when the principal address will be delivered by Ed Toner, editor of the Anderson Herald and progressive state chairman at one time. He is a capable speaker and is expected to attract a large crowd. Judge Harvey of Indianapolis will also speak tonight at Mays.

Frank E. Jaynes of Wabash will be the speaker at a meeting at Carthage Wednesday night and on Thursday night, Judge Harvey and A. J. Ross will speak at New Salem.

ABANDONMENT IS ALLEGED

Only Charge of Nellie Morris in
Divorce Suit Against James Morris

Mrs. Nellie Morris has filed suit for divorce from James Morris. She alleges that he abandoned her in 1913 without cause and right and has since failed to make any provision for her support or maintenance. The complaint states that they were married December 23, 1902 and separated July 6, 1913, on which date he abandoned her. This is the only allegation in the complaint. Kiplinger and Smith represent the plaintiff.

PROPERTY RIGHTS WERE ADJUSTED

Mrs. Jennie Ryon Granted Divorce

Regarding Land

JAMES RYON PAYS HER \$5,000

The divorce suit of Mrs. Jennie Ryon against James M. Ryon was practically completed in circuit court today when a compromise was reached as to the property rights and the court entered a decree granting a divorce to Mrs. Ryon, giving her the custody of their child Lavone, with the provision that she can visit with her father. Under the terms of the compromise Mr. Ryon gave her the sum of \$5,000 and she in turn gave him the title to the land heretofore held jointly.

The trial was devoid of anything sensational. Mrs. Ryon alleged cruel and inhuman treatment and testified that he cursed and struck her. Mr. Ryon fought the divorce on a cross-complaint and testified that he never struck his wife but admitted cursing her. He stated that on one occasion she attempted to strike him with a stick of stove wood. Mr. Ryon stated that his wife had spells of crying and during these was always violent in her treatment towards him. He said that in his opinion she was of unsound mind during these "spells." The plaintiff was represented by Samuel L. Trabue and the defense by C. M. Duncan and Megee and Ross.

HAS OUTFIT TAKEN FROM GREENSBURG

Wesley Miller, in Southern Rush
County, Finds Horse Which
Had Been Driven Hard

PHAETON NOT FAR DISTANT

Wesley Miller, living on the Milroy-Andersonville pike, one mile west of Neff's corner, has a horse and phaeton in his possession that was stolen from Greensburg. The animal was found yesterday along the road. The buggy, a phaeton, was found almost in the center of the road and the horse was roaming about minus any harness.

The horse had all the appearances of being driven very hard. The animal was so tired that he would not eat and today was very stiff and sore. The theory was that the horse was stolen and driven that far where it was abandoned. The horse is an old one but is considered a good family horse and no doubt is highly valued by the owner. Sheriff Cavitt was notified and about noon today received word from Greensburg that the owner would come after the stolen property.

M. S. COX IS ONE OF TWO IN RACE

Rushville Man Has Good Prospects
to Win Contest at Great Council
of Red Men

BOOSTERS ON JOB FOR HIM

Rush County Turns Out Well for
Local Candidate Who Wants
to be Keeper of Wampum

BULLETIN.

Miles S. Cox of this city was elected to the office of great keeper of the wampum on the first ballot, according to word received here late this afternoon. Harry Lehman of Indianapolis was his closest competitor. Cox received a total of 878 votes; Lehman, 167 and the other two candidates a few scattered votes.

If Miles S. Cox of this city is not elected great keeper of wampum of the Great Council, Improved Order of Red Men, now in session in Indianapolis, it will not be due to any lethargy on the part of his Rush county friends who began the exodus to Indianapolis yesterday afternoon to do their bit in boosting for the local candidate.

That the efforts of Mr. Cox and friends have not been unavailing is disclosed by the fact that the Indianapolis Star says this morning that the race for the office has narrowed down to a fight between Mr. Cox and Captain Henry Lehman of Indianapolis.

The election was not scheduled to take place until two o'clock this afternoon and it was not expected that the result would be obtainable here in time for publication today.

The great keeper of wampum is a much sought after office. The term of serving is for five years and a comfortable salary is paid during that time. In addition, the office entitles the winner to the honors of a past great sachem.

The election this afternoon is the climax of a hard fight made by Mr. Cox. He went before the forty-eighth annual session of the Great Council this afternoon, seeking the office, with the Red Men of his home-county solidly behind him and with hosts of supporters from all parts of the state.

A campaign was conducted throughout Rush county to interest the Red Men as well as other persons in Mr. Cox's candidacy. The campaign bore fruit, as the crowd of Rush county boosters at Indianapolis last night and today revealed. Several automobile loads went to Indianapolis yesterday afternoon and were at the Denison hotel last night whooping it up for the Rushville candidate. They all wore Cox badges and "button-holed" everyone.

There are 1,200 delegates in the Great Council so that there is little chance of the result of the contest for great keeper of wampum being known here before late this afternoon.

Charles Brown went to Indianapolis today where he was delegate from the R. and S. M. to the grand council and from the R. A. M. to the grand chapter of the Masonic order.

Earl Hall, of the Ziedman and Polle, in whose employ Lewis Baum was, paid Baum's funeral expenses. Baum was instantly killed while loading the merry-go-round engine early Sunday morning and his wife and two children, who were here, were left destitute. The manager of the shows here last week told members of the local committee that he intended to give Mrs. Baum \$50 to pay her expenses to Pittsburgh, where her mother lives. It was also stated that employees and owners of the show expected to take up a collection for the widow and children.

The names of two prize winners in the drawing Saturday were omitted by mistake yesterday. Mrs. John Starks won the second prize at the 99 Cent store—a 10 inch cut glass vase—and Helen Sterrett won second at Casady's dry goods store—a Motorweave-auto robe worth \$6.75.

LIKELY TO HOLD OTHER DRAWINGS

Business Men's Association, at
Meeting Tomorrow Night, Will

ALL SEEM IN FAVOR OF IT

Final Settlement of Question of
Awards in School Float Con-
test to be Made Tonight

At the regular meeting of the business men's association in the city council chamber tomorrow night the subject of holding another drawing similar to the one conducted Centennial week will be considered. It was stated today that without exception every merchant who participated in the prize awards Saturday was ready for another one. It has been suggested by some that half of the merchants hold a drawing the first half of a month and the other half the last half of the month. Others believe that it would be best for all the merchants to participate at one time, thus offering a greater number of prizes, but at longer intervals.

All of these things will be threshed out at the meeting Wednesday night. It is practically certain that the drawing will be continued for the present at least, but what methods will be employed is yet to be determined.

The executive committee of the Centennial, Home Coming and Fall Festival had not yet definitely decided today how the prizes would be awarded in the school float contest in the Centennial parade. The judges—Arch Davis and Tom Beale of Newcastle and H. B. Smith of Brookville—selected the float put out by the Rushville schools, but the conditions of the contest were that the Rushville school were not to participate as a whole but each building as a unit. Many members of the executive committee contended that the Rushville schools were not disqualified because the schools did not abide by the rules of the contest.

The executive committee will endeavor to straighten out the affair at a meeting this evening. Some members of the committee agreed on an amicable agreement yesterday, but other members of the committee had a different solution, with the result that the question was not settled.

It is understood that Ziedman and Polle, in whose employ Lewis Baum was, paid Baum's funeral expenses. Baum was instantly killed while loading the merry-go-round engine early Sunday morning and his wife and two children, who were here, were left destitute. The manager of the shows here last week told members of the local committee that he intended to give Mrs. Baum \$50 to pay her expenses to Pittsburgh, where her mother lives. It was also stated that employees and owners of the show expected to take up a collection for the widow and children.

TITLE GIVEN TO HUSBAND.

The will of the late Mrs. Celista J. Harrison of Anderson township has been offered in probate. John E. Harrison, the husband is given the title to the land which was held jointly by them and he is also given the interest in 120 acres of land owned by her during the minority of their youngest child. Then this 120 acres of land is given to her children and grandchildren subject to the rights of her husband. The children, George, Ben, Elmer, Claude and Mary are to each get one-sixth of the granddaughter Mary Harrison, one-sixth; the grandson, Russell Kenneth one-twelfth and the grandson, Robert Kenneth, one-twelfth.

Port Huron, Mich., Oct. 17.—Fire today gutted the business section of the village of Emmett near here causing heavy loss. Thirteen buildings and their contents were destroyed. Only six business places remain standing.

The Emmett postoffice was saved but all buildings adjoining it were wiped out. The Emmett state bank building was burned to the ground, but it is believed that several thousand dollars in the currency and valuable papers in the vault escaped destruction.

IN LOS ANGELES AS SCENARIO WRITER

Tom J. Geraghty of New York, Formerly of This City, Engaged
by Jesse Lasky, a Producer

RECENTLY WITH THE METRO

Tom J. Geraghty, formerly with the Daily Republican, is now at Hollywood, Cal., a suburb of Los Angeles, engaged as a scenario writer for the Lasky motion picture corporation.

The first information that Mr. Geraghty had been engaged as a scenario writer was received when Mr. Geraghty telephoned his brother-in-law, Denny Ryan, a few evenings ago, from Chicago, while on his way from New York City to Los Angeles.

Mr. Ryan did not understand definitely what Mr. Geraghty expected to do at Los Angeles, but expected a letter of explanation, which has not yet arrived.

However, the fact that the former Rushville man is now working as a scenario writer is confirmed by the Motion Picture News studio directory, which gives a brief description of those engaged in the motion picture business.

Mr. Geraghty went to the New York Herald from here and later was with the New York Tribune. He began his motion picture career as publicity agent for the Metro corporation. He recently left Metro to accept the offer of Jesse Lasky, one of the largest producers in the business.

GENERATOR AT SCHOOL EXPLODES

Alfred Norris Receives Severe Burns
in Chemical Laboratory at
Graham Building.

CAUSE OF THE EXPLOSION

An explosion of a generator from which carbon monoxide was being made, resulted in severe burns to Alfred Norris this morning in the chemical laboratory of the Graham high school. Several other students were burned slightly. Young Norris sustained severe burns about the face and chest from the hot acid.

The class had been experimenting with the gas and while away from the glass flask in which the monoxide was being generated, cold water ran back into the flask and before anyone could disconnect the piping and turn out the gas, the explosion resulted. Glass was scattered all over the room.

A meeting of the official board of St. Paul's M. E. church will be held in the church parlors tonight at 7:30 o'clock.

EASTERN DRIVE NOW UNDER WAY

Von Hindenberg's Offensive on Eastern
Front is Apparently
Started Today

ATTACK ON 60-MILE FRONT

Roumanians Admit Some Teutonic
Gains in Some Regions and
Repulses in Others.

(By United Press.)

London, Oct. 17.—Von Hindenberg's widely heralded eastern offensive apparently is under way.

Teutonic forces are attacking furiously on a 60-mile front along the northwestern Roumanian frontier. At the same time they have opened heavy assaults on the Russian lines north of the Carpathians.

An official statement from the Roumanian war office this afternoon admits some Austro-German successes in this new offensive. The Teutons have pushed down the Trotus valley to the town of Agas, where they are engaged in battle with the Roumanians. Berlin dispatches yesterday reported that the Germans had broken through Gyms pass, leading into the Trotus valley and were driving eastward towards the main railway supplying the northern Roumanian armies.

The Roumanian war office, however, announced the repulse of all Teutonic attacks near Dudna Vatra. It is in this region that Von Hindenberg is delivering his hardest blows, apparently planning to drive a wedge between the Russian and Roumanian armies.

The Austro-German attack north of the Carpathians apparently is to prevent the shifting of Russian troops southward to meet the new attacks.

TRAGEDY IS NEAR AN END

German Viewpoint is That Somme
Offense Has About Run Course

(By United Press.)

Berlin, Oct. 17.—"The tragedy on the Somme seems near a climax," said a semi-official statement reporting frightful French and English losses in recent unsuccessful attempts to break the German line north of the river.

When the British rushed forward for an attack, the sixth German infantry divisions left their destroyed positions and standing in the face of the approaching enemy, turned loose rifle and machine gun fire into the allies.

CRISIS NEAR AT ATHENS

French Soldiers, Fortify Municipal
Theater for Battle

(By United Press.)

London, Oct. 17.—Intimation that a serious crisis is approaching at Athens were contained in dispatches from the Greek capital today.

French sailors have occupied the municipal theater and have planted field guns and machine guns in readiness for instant action, said a dispatch to the Evening News.

An earlier dispatch from Athens reported the landing of marines at Piraeus to reinforce the Athens police, and prevent "threatened trouble." Allied troops have taken possession of three battleships.

An exchange will be given by the Ladies Aid society of the First Baptist church Saturday morning beginning at 9 o'clock in the room formerly occupied by the Mulno clothing store in West Second street.

ADMIT LOCATION OF VILLA FORCES

Mexican Government Officials Announce Bandits Are Near General Pershing's Column.

MORE THAN 1,800 VILLISTAS

(By United Press.)

El Paso, Texas, Oct. 17.—For the first time since beginning their campaign against Villa, Mexican government officials admitted the location and importance of the size of the bandit chief's forces when it was announced today that Villa with 800 well armed men and more than a thousand recruits partly armed are about 150 miles southwest of El Valle, the southernmost outpost of General Pershing's American expedition.

A detachment of Villistas is being sent into the foothills, to recover machine guns, ammunition and military supplies hidden by the bandits.

Bayonne, N. J., Oil Strikers Are Snubbed by the Company

(By United Press.)

Bayonne, N. J., Oct. 17.—Despite a record of three persons dead, many wounded and pitched battles between strikers and police marking its progress thus far, the strike of the oil workers here will go on so far as the Standard Oil company is concerned. Superintendent Hennessey today snubbed the strikers' committee of ten which asked him to end the strike by giving them more money, the men declared.

Serious rioting up to noon today, there was neither bloodshed nor but the situation is as tense and feeling as strong as ever.

The Mystic offers the third chapter of the famous detective serial picture "Fantomas" for the program tonight. In this episode Dillon, the painted is blamed for the murder of Baroness de Vibray. "Fantomas," as usual evades the clutches of the law and remains as great a mystery as ever.

For "The Children in the House," the Triangle feature at the Princess tonight a thrill of thrills is claimed. This is the spectacle of an auto-load of bank robbers plunging after a flying battle with police, over a steep precipice 300 feet high. Its occupants shot down one by one, by the pursuing officers of the law, the car is seen to zigzag as it speeds along the mountain road. The sight of the big car shooting over the edge and down to destruction is announced as one warranted to give any spectator at least one good gasp. Norma Talmadge is featured and is supported by Jewel Carmen and Eugene Pallette.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

Town Factions.

Perhaps no other one factor wields so great an influence in retarding the growth and prosperity of a town as factionalism. It spreads itself as a pall over the community life, and under its malign influence all progress withers like a pear tree under the blight. No amount of energy and public spiritedness is sufficient to survive its depressing effects.

Take the average town torn by factionalism. A measure of public improvement is proposed. It comes from one of the two factions. It really has merit and would be beneficial to the town. Does it meet with approval? Yes—from that side of the house. From the other side, bitter opposition. Why? No mortal man can tell, except that it emanated from "the other side."

There you have the meat in the cocoanut. "The other side" stands for everything that is undesirable and vicious.

But from whatever source, the fact remains—and the factionalism flourishes—a sad commentary on the boasted "progressiveness" of our countrymen.

And the pity of it is that it is all

useless and fruitless of no good results to either side.

United effort would invariably accomplish for both what divided wrangling accomplishes for neither.

There is a world of truth in the old emblem of the bundle of sticks, bound together, which no man could break, but which, taken separately, a child could destroy.

No factional fight in a community ever yet resulted in complete victory for either side.

Many communities have had the sagacity to recognize this fact and, while there have always been and will always be differences, have had the good sense to endeavor to harmonize and work together for the common interest.

When we see a community torn by factions, we feel like reminding it of the old fable of the cats and the monkey—the cats found the cheese, but the monkey ate it at last.

Waning Popularity.

Despite the effort of the Democratic candidate for Governor, John A. M. Adair, to mislead the voters of Indiana, some light is thrown upon Adair's waning popularity in his home county by the election returns since 1910. An examination of these returns shows very clearly why Adair is running for Governor instead of for re-election to Congress from the Eighth Congressional District. Adair has been losing votes by the wholesale during the past three elections and the Republicans confidently expect to carry Jay county this year by a splendid plurality.

In 1910 Adair's plurality in Jay county was 1504, and in 1912 this plurality was cut to 334. In 1914 Adair received a plurality of only 25 votes in his home county. These figures, more than anything else, show what the people of Jay county think of the Democratic candidate for Governor at this time. Not only will Adair lose Jay county to James P. Goodrich, the Republican candidate, but he will also lose his own district, it is freely predicted.

Why should any one kick at life in Rushville? It is full of good people—of wise people—of energetic people—of persistent people—of people who would be a credit to any town. When you kick this town you kick yourself, for you are helping to make it just what it is.

We did a little blinking the other day, when the German U-boats kicked up the spray on the Atlantic coast. But life is too short for blinking, and here's for another snooze.

When laughter at the other fellow just remember that he may have quite as much fun at your expense another day.

Life is just one ahem after another, but we have yet to find one who is in a hurry to let loose.

The merchant who advertises never counts the flies on the wall. "There's a reason."

Life is short at best and the one who fills it with seraps and growls has only half a life to spend.

Politics is just politicking along.

IN INDIANA TODAY

(By United Press.)

Peru—Trustees of Miami county, accompanied by Superintendent of Schools Wetherow, toured the southern part of the county today visiting schools.

Indianapolis—Political speakers were at the following places today: David L. Walsh, former governor of Massachusetts at Monon; Carl Vroman at Worthington; J. A. M. Adair, in Martin and Knox counties; Gov. Ralston at New Albany; Senator Taggart at Lebanon; Senator Kern at Martinsville.

Montpelier—Knights of Pythias will entertain knights of lodges of nearby cities tonight.

Wabash—The Wabash county Home Improvement tour was started here today under supervision of the county agent.

We have made up another lot of scratch pads and are now on sale at the Republican office.

A big new discovery in cigarette blending

The big thing about Chesterfields is their unique blend. The *Chesterfield blend* is an entirely new combination of tobaccos. This blend is the most important new development in cigarette making in 20 years.

As a result, Chesterfields produce a totally new kind of cigarette enjoyment—they *satisfy*! Just like a "bite" before bedtime *satisfies* when you're hungry.

But with all that, Chesterfields are *MILD*, too!

This new enjoyment (*satisfy*, yet *mild*) comes ONLY in Chesterfields because no cigarette maker can copy the *Chesterfield blend*.

Irrigation Congress Works Out
Problem of Caring For Men
Not Financially Able.

RURAL CREDITS DISCUSSED

(By United Press.)

El Paso, Tex., Oct. 17.—The question of financing settlers on irrigated lands under reclamation projects, whether public or private, was one of the most important topics discussed by the "Rural Credits and Land Settlement" section of the International Irrigation congress at today's session. Elmer Mead, head of the department of rural institutions in the University of California and an eminent authority on the subject of rural credits is in charge of this section of the congress. Prof. Mead and other authorities on the subject of credits, present at the session, formulated plans whereby the settler with small capital will be enabled to become a successful farmer of irrigated lands.

HOMER WINS FROM THE MANILLA FIVE

High School Basketball Team is Victorious in Game Monday by
Score of 18 to 13

SECOND GAME WEDNESDAY

The Homer high school basketball team won the first of a series of two games from the Manilla high school five on the former's floor yesterday afternoon at the close of school, by a score of 18 to 13. The second game of the series will be played at Manilla Wednesday night as a feature of the horse show which will be held there.

Homer early displayed its superiority over the Manilla lads by running the score up to 14 points in the first half while allowing their opponents only two. The summary: Homer (18) Manilla (13)
Casady Forwards Wicker
English Carr Enos
Veatch Guards Gulley
Galley
Homer—field goals, Carr 3, Casady 3, Veatch 2 and English 1; Manilla—field goals, Wicker 4, Enos 1 and Garner 1; foul goals, Enos 1. Mandall, referee; Sheedy, umpire.

A match game between bowling teams representing the Knights of Pythias and Knights of Columbus lodges will be played at Jack's Smokehouse Wednesday night. There will be a fraternal bowling league this winter and the match game is preparatory to the opening of the season.

This amount, together with enough to make it a hundred dollars, will be handed over to the Women's council for the visiting nurse fund. Earlier in the year, the sorority gave \$50 to the same fund.

FAREWELL PARTY

Tributes, just ones, were paid to James Lock and his two children, Mildred and Robert, at the dinner given in their honor last evening at the St. Paul's M. E. church by the teachers and officers of the Sunday School. It was in the form of a farewell dinner before they leave for Alabama to spend the winter. For several years, Mr. Lock has been superintendent of the Sunday school and that his work has been appreciated, was proven last evening. Ernest F. Marlatt was elected to succeed him as superintendent.

The guests last evening were seated at a long table, prettily decorated with two large bouquets of flowers. A delicious two course supper was served and followed by several appropriate talks. The Rev. W. M. Whitsitt presided after the supper. Talks were made by James Lock, the outgoing superintendent, Ernest Marlatt, the incoming superintendent, Ernest B. Thomas, Will M. Sparks, Leonard Clark, Miss Belle Gregg and the Rev. W. M. Whitsitt. Guests including the officers and teachers of the school were Mrs. F. G. Hackleman, Mrs. F. E. TROUBLES OF 25 YEARS VANISH

Fort Wayne Woman Says Tanlac Brought Her Relief in Three Days

Fort Wayne, Ind., Oct. 16.—"Tanlac has helped me where everything else has failed. My trouble dates back twenty-five years and during all that time I could get nothing that would help me, but this new medicine has done the work thoroughly in just three days. I feel like a new woman."

This was the tribute paid Tanlac, the Master Medicine, recently, by Mrs. Martha A. De Haven, 68 years old, a well known resident of this city, who lives at 448 Elizabeth street.

"I had neuralgia of the head, face and shoulders and I also was very nervous," Mrs. De Haven continued. "I haven't had a single neuralgia pain since the third day after I started taking Tanlac. My appetite formerly very poor, is fine now, and I sleep soundly at night. I used to be unable to sleep because of neuralgia pains. No nervousness or weakness of any kind bothers me now."

Tanlac is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, sleeplessness and the like. Tanlac is now sold exclusively in Rushville at F. E. Wolcott's drug store; in Arlington at Mrs. L. T. Davis'; in Carthage at J. H. McCarthy and son and in Milroy at Barton & Sheppard's.—(Adv.)

Mrs. Julia Glidden and daughter, Mary, and Mr. and Mrs. A. F. Glidden of Lewisville spent the day with Mr. and Mrs. W. T. Jackson of this city.

About seventy-five ladies interested in suffrage were the guests of the Franchise League at the home of Miss Mary and Miss Nora Sleeth in West First street this afternoon. The entire afternoon was given over to discussion of suffrage, with Mrs. Barnhill of Indianapolis as the speaker.

The Loyal Women's Bible class of the Christian church will be entertained tomorrow evening by Mrs. Walter Conway at her home at 601 North Morgan street. The meeting will be called at 7:30 o'clock and every member is urged to be present as important business is to be brought up for discussion.

PLANS FOR SUPPER

Plans for the penny supper and parcel post sale to be held in the Christian church basement October 25th were the business matters that occupied the greater part of the meeting of the Loyal Daughters held with Mrs. Plessinger at her home last evening. Thirty-five members of the class were present. During the meeting, the members were busy with their fancy work for the packages which will be on sale.

A social hour followed during which refreshments of pumpkin pie coffee, and nabiscoes were served. The hostess was assisted in entertaining by Miss Mable Mahin and Mrs. Clifford Jarrett.

TRI KAPPA

Although all the reports are not in, it was announced last evening at the meeting of Tri Kappa held with Mrs. Walter Capp at the home of Mr. and Mrs. Frank Capp, that at least \$35 had been raised and perhaps more on the picture that was given, away during the centennial, and was painted by Mrs. Walter Hubbard. This amount will go toward the fifty dollars that the sorority had pledged toward the support of the visiting nurse.

Plans were also made for the pitch-in supper which is to be held at the home of Mrs. Will Norris in North Main street on Thursday evening. It is to be in honor of Miss Rosemary Hassmer of Lawrenceburg, a prominent member of the Tri Kappa sorority and province inspector. While here she will hold the biennial examination. About 15 members of the sorority were present, taking an active part in the business meeting and enjoying the social hour following when delicious refreshments were served. The next meeting will be in two weeks.

Miss Pauline Gessler will entertain the members of the B. N. Club at her home in West Second street this evening.

Miss Nelle Winship will entertain the members of the Embroidery Club at her home in East Fifth street on Friday afternoon of this week.

The members of the S. E. T. Club will be entertained by Mrs. Revilo Ferguson at her home in North Harrison street on Thursday afternoon of this week.

The Social Circle of the Methodist church at Orange will be entertained on Thursday afternoon by Mrs. Oscar Medd at her country home near Orange.

The Ladies Aid society of the St. Mary's Catholic church will be entertained on Thursday afternoon by Mrs. Anthony Schrichte at her home at 319 West First street, when she will be assisted in entertaining by Mrs. Robert Williamson.

FOR MR. AND MRS. HAZELRIGG
Yesterday an all day affair was enjoyed at the home of Mr. and Mrs. J. T. Arbuckle in East Seventh street in honor of Mr. and Mrs. Guy Hazelrigg of San Diego, Cal. It was in the form of a pitch-in and delicious meals were served at noon and in the evening. Mr. and Mrs. Link Guffin and daughters, Margaret and Kathryn, were other guests.

FIFTEENTH ANNIVERSARY

Mr. and Mrs. John McCoy celebrated their fifteenth wedding anniversary at their country home near New Salem last evening by entertaining a number of their friends at dinner. Cosmos were chosen as the tasteful floral decoration for the dinner. A number of pretty anniversary gifts were received. Covers at the dinner were laid for Mr. and Mrs. Carl Wilson and family, Mr. and Mrs. Charles Carney and family, Mr. and Mrs. George Alexander, Mr. and Mrs. Orville Zimmer and Mr. and Mrs. O. P. Wamsley and daughter, Kathryn, of this city.

MUSICALE

An excellent attendance marked the first regular meeting of the Ladies Musicale held in the court house assembly room yesterday afternoon. The new officers had charge with Mrs. A. L. Aldridge presiding. Under the leadership of Miss Olive Buell and Mrs. Will Amos, an excellent program on classic music was given with the following numbers:

Quartette "Overture from Semiramis" by Rossini, played by Miss Olive Buell, Mrs. Aldridge, Miss Alice Norris and Miss Jennie Madden; double trio, "My Mother Bids Me Bind My Hair" by Haydn, sung by Mrs. Cliff Winship, Mrs. Joe Clark, Miss Alice Norris, Miss Edith Buell, Mrs. Wooden, Mrs. VanOsdel; duet "Gypsy Rondo" by Haydn, by Mrs. Bebout and Mrs. Aldridge; vocal solo "Largo" by Handel, by Miss Leona Thomas; vocal duet, "Sweet Zephyrs" by Mozart, by Miss Edith Buell and Mrs. Will Amos; violin solo, "Minuet" by Beethoven, by Miss Leona Thomas; vocal solo, "Cradle Song" by Bach, by Miss Edith Buell; vocal solo, "Faithful Johnnie" by Beethoven, by Mrs. Carl Beher with violin obligato, by Miss Thomas; piano solo, "Gavotte" with variations by Rambeau, by Miss Edith Buell; vocal solo, "Ade-laide" by Beethoven, by Mrs. Will Amos; Vocal quartette, "Hymn To Light" by Beethoven, by Miss Edith Buell, Mrs. Wooden, Mrs. Joe Clark and Mrs. VanOsdel.

Miss Jennie Madden was elected secretary of the Musicale inasmuch as Miss Wanda Wyatt, the former secretary, handed in her resignation on account of illness.

TURN HAIR DARK WITH SAGE TEA

If Mixed with Sulphur It Darkens so Naturally Nobody can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

LOST—a child's kid glove, between business district, up Main street, and to 732 N. Perkins. Please notify Mrs. Wilbur Stiers. 183tf.

ARE TAKING TO NATIONAL GAME

Baseball is Becoming Popular Among Australians, Several Teams Being Organized.

RATHER CRUDE THUS FAR

Visit of White Sox and Giants Apparently Has Had Its Effect—Has One League

BY HAMILTON.

(U. P. Staff Correspondent.) New York, Oct. 17.—Baseball as she is spoke across the Pacific, while crude, conveys to America the fact that the national game of the United States rapidly is growing in popularity among the Australians.

A copy of the Sydney Argus, received in New York today, has half a column of its space devoted to baseball games, the details of several contests being included.

If one is to take the word of the Argus' writer for it, professional baseball in America and the amateur brand in Australia are widely separated.

"The Collingswood - Hawthorne game was a splendid fight or five innings," the Argus reporter writes, and continues: "But Hawthorne's sixth brought 5 runs and they won by 10 runs to 6. Martin, the Hawthorne's pitcher, struck out 14 batters and did some good hitting."

Speaking of another game, he says: "Richmond turned the tables on South Melbourne, and won by 23 runs to 6. Anderson, the southern pitcher, in sliding to third base, struck his head against the base, and the shaking affected his pitching. Brereton, who had played a magnificent game at shortstop, took up the attack, but could not hold the Richmond batsmen, who accounted for twenty-three base hits, to which Eastman contributed four."

They have a league in Australia, for the Argus writer speaks of it in recounting a game between the Northcotes and the Y. M. C. A. He compares this contest with a cricket match. Forty-three hits were made by one of the teams, forty-three runs made, and thirty-six bases stolen. The opposing team failed to get a runner past second base, something of a tribute to the advance of the game.

"Williamstown hit up six runs in their first inning," the Argus expert remarks of another contest. "The M. C. C. pitcher held the seaisiders comparatively quiet thereafter, as he struck out seven batsmen."

The visit of the White Sox and Giants to the far-off continent has had its effect. Baseball is being given more attention in Australia than in any foreign country, and recently a letter was written to Garry Herrman, president of the National baseball commission in the United States, asking interpretation of the rules. Reports from the Antipodes say efforts are being made to organize a league of professional clubs.

LOTTERIES ARE RUN IN THE OPEN

In Fact Government of Argentina Share in Profits and Makes Regulations.

ARE ALL THE RAGE THERE

Other Forms of Gambling Appear With This Craze—One Newspaper Fights It.

BY H. B. ROBINSON.
(U. P. Staff Correspondent.)
Rio De Janeiro, Sept. 15.—(By Mail)—With two hundred and fifty thousand imaginary dollars one may build a fairly good air-castle; and the Brazilian is a great air-castle architect. His material, always at hand, is the lottery ticket. The lottery in Brazil is as much an institution as the daily newspaper or the milkman, just as it once was more or less so in the United States.

A Spanish immigrant woman bought a lottery ticket as she walked down the gang plank of the steamer that brought her to the new world. When she arrived in the city she found that she had won the big prize of the day's drawing. She returned to Spain on the same ship, richer than her wildest dreams.

Pedro Silveira, a working man, dreamed that he was to win the Christmas lottery prize. His dreams told him the winning number. He sold all his possessions to obtain the number. His extraordinary faith was communicated to his neighbors and friends. The day of the drawing he was accompanied to the "chapel of chance" by thousands of friends and curious who had heard his story. As the six little girls spun the fateful wheels the number that turned up was not that held by Pedro. Pedro died in an asylum.

Extravagant hope and tragedy is the story of the lottery in Brazil. The rich Brazilian buys his lottery ticket as he takes his morning coffee—by habit. The poor Brazilian saves the scraps and often goes in debt for his "chance." One wins every day. Hundreds of thousands never win.

Although several states have their own lotteries the big game in the Federal lottery, operated by an anonymous corporation on a government concession. The government supervises the drawings and sale of tickets and takes five per cent of the receipts. There is a drawing every week day with special prizes for holidays, ranging from 15,000 to 250,000 dollars, American money. The prices of the tickets are fixed in accordance with the day's prize—from twenty-five cents to ten dollars.

In the trail of the lottery follow other gambling devices, chief of which is the "bicho" (beasts) which is similar to the "politey" played in the United States. The terminal numbers of the winning number of the day's lottery determines which "bicho comes out." If the player has laid his money on this terminal number he wins. The bicho is even more insidious than the lottery and there are few Brazilians, men or women, among the working classes who do not play the bicho. Bicho players have a distinct jargon in which they exchange their "palpites" (hunches) and speculate on their "sortie" (luck). Although the police have made desperate attempts to break up bicho playing the game flourishes. There are thousands of bicho houses in this city alone.

A local newspaper recently conducted a strong campaign against the bicho and after weeks of vain endeavor to break it up the paper announced that they would give a handsome prize to find a single case of where a man or woman had played the bicho and won consistently. The paper promised to investigate each purported winner thoroughly and publish the results.

The first story published was about a young man of prominent standing in a big business firm. The investigation sent him to jail as a defaulter. The second article told of a wife who explained her supply of cash to her husband by the bicho. The investigation resulted in a divorce. There was not a single

CARTOONIST IS MARRIED TODAY

Reuben Goldberg, Originator of "I'm the Guy" and Others Marries Irma Seeman.

HE HAS INCOME OF \$100,000

(By United Press.)
New York, Oct. 17.—When Reuben L. Goldberg, the New York Evening Mail cartoonist whose income is said to be \$100,000 a year, turned out his mystery cartoon "It's All Wrong, Irma, It's All Wrong," his friends wondered who Irma might be. Goldberg was married here today to Miss Irma Seeman, daughter of Sigel W. Seeman, a wholesale grocer.

Goldberg saw Miss Seeman for the first time at a restaurant with her parents about a year ago. It was several months later that he met her. Goldberg is a quiet young man, who does not use the expressions: "I'm the guy," "I never thought of that," "It's All Wrong," "Father was right," except in his cartoons. Goldberg is a native of San Francisco. He came to New York in 1907.

winner unearthed in more than a month's search.

Business houses often sell their wares by the aid of the lottery. Pianos, watches, motorcycles, clothing, even houses, are sold on the "club plan" by which the buyer pays in installments, receiving a number with the first installment. If his number comes out in the lottery before he has completed his installments he wins his purchase without further payment. It is needless to add that the prices are made to cover losses by this system.

The sale of lottery tickets gives employment to several thousand men. There are lottery ticket houses in every block, often operated in conjunction with the bicho game, and agents make a house to house canvas, crying their numbers in the streets and seeking patrons on the street cars. The lottery ticket vendor is a picturesque figure as he strolls up the street crying his number and the "bicho" of his terminal. He shouts "Twenty" cantos (five thousand dollars), twenty cantos today. My number is the lion. The lion will bring you fortune today."

Perhaps as a natural result of the moral support given the lottery by the government all other gambling is "wide open." The "lid" is applied half heartedly at infrequent intervals. The races and pool rooms attract their quota of players, and at a dozen or more "clubs" in Rio, roulette, baccarat, campista, monte, poker and all the games that, debauched Americans of the old west are in full swing with the sky limit.

Unavoidable Accident

During the rush and excitement of the past week's events almost everyone would naturally allow more or less dirt to accumulate in the kitchen, on the pans, etc. Not only last week, but every day these things occur. We have found the quickest, easiest and cheapest way to overcome these troubles and are going to help the people of Rush county by placing on sale for all this week the wonderful dirt chaser equivalent to Old Dutch Cleanser, but with a different label called "KEEN KLEENER." We guarantee Keen Kleener to do any work as quickly and as satisfactorily as Dutch Cleanser. If it fails to do so we will give your money back.

In order to back up this statement we want a can of Keen Kleener in every kitchen in Rush county and in order to do this we are going to place 1000 cans of this wonderful product on sale for this week at 5c per can.

Remember we guarantee every can to do the work with perfect satisfaction or we will refund your money.

The same size cans as Dutch Cleanser.

We won't make special delivery of less than 5 cans

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Sold by Druggists. J. C. CHENEY & CO., Toledo, Ohio. Take Hall's Family Pills for constipation.

INCREASE SHOWN IN MEMBERSHIP

Figures Show Spiritualists Gain 50,000 During Year—Convention Opened.

SECRETARY GIVES REPORT

(By United Press.)
St. Paul, Minn., Oct. 17.—With a membership that has jumped during the year from 400,000 to 450,000, the National Spiritualists Association of America, convened here today in its twenty-fourth annual convention.

The increase was estimated by Secretary George W. Kates today. "We are growing by leaps and bounds," said he. "These figures include only the chartered members of the National Association and do not by any means include the hosts of believers in Spiritualism throughout the country. There are more than 1000 meetings a week in the United States throughout the year, including meetings of independent bodies."

STICK TO WOODEN BRIDGES

Wayne County Repairs Old Structures Rather Than Build New.

(By United Press.)
Richmond, Ind., Oct. 17.—Because the history of Wayne county is so closely linked with nine wooden bridges, the county commissioner have voted to have the structures repaired instead of building new ones.

The bridges, erected in 1830, are too narrow for the requirements of modern automobile traffic but the county will spend thousands of dollars in preserving them for posterity.

TODAY'S HOOSIER ODDITY

Nashville, Ind., Oct. 17.—Mrs. Jennie Allison, wife of the editor of the Brown County Democrat, has a hen that is 16 years, 5 months old, which has laid 3,060 eggs. During the last five years the hen has laid 750 eggs.
